

The YWCA Edmonton has established the YWCA Camper Subsidy Fund to assist families who may not otherwise be able to afford the full fees to send their children to summer camp at YWCA YoWoChAs Outdoor Education Centre. Please read the following carefully, some of our policies have changed.

- In an effort to ensure as many families as possible benefit from the YWCA Camper Subsidy Fund, subsidy will be limited to one session of camp per child requesting camper subsidy.
- Do not send any money at this time.
- Once your application has been reviewed, you will be contacted regarding the amount of subsidy you are eligible to receive.
- At that time, your portion of the camp fees are due. If you are making monthly payments, post dated payments are required. With the balance due 30 days prior to the commencement of the camp programme.
- The child(ren) will not be guaranteed a spot in the camp until your portion of fees has been paid.
- If the programme you have requested for your child is full, an alternative choice will be arranged if possible.
- This process can take 3-5 weeks to complete, so please apply as early as possible.
- Please ensure that your application is complete and that proof of income documents and one camp registration form per child are attached
- Please check out our website for further details regarding registration policies.
- As a condition of receiving a YWCA Camper subsidy you may be contacted after the camp session has concluded to discuss how attending a session of summer camp has impacted your child(ren)
- Documents sent as proof of income will be destroyed at year end.
