

Camp Yowochas

Activity Guide

Broomball

Broomball is a recreational ice game that originated in Canada and is beginning to be recognized globally. At Camp Yowochas, broomball is played on a non-ice surface so that participants can concentrate on learning the basics and not have to worry about slipping on ice. Specialized broomball sticks are provided by Camp Yowochas.

Program Specifics

- ◆ Minimum 15 participants
- ◆ Well suited for ages 8 - adults
- ◆ Session is led by a trained Camp Yowochas staff member
- ◆ Available December - April
- ◆ Participants learn basic broomball skills
- ◆ Participants are encouraged to use team work skills
- ◆ All broomball equipment is supplied by Camp Yowochas

Safety Considerations

The broomball rules are reviewed before each game begins and the activity is constantly supervised. Broomball can be played during the day, or we can provide lights for evening games. It is encouraged at all times that broomball sticks remain below the knees.
