Activity Guide

Curling

Curling is a sport in which participants will have the opportunity to slide stones across a sheet of ice towards a target area which is segmented into four rings. Participants will learn the basic skills required for a game of curling. We maintain a curling sheet on the lake with the option of lights for night bonspiels.

Program Specifics

- ◆ Groups up to 15
- ◆ Well suited for ages 8 - adults
- ◆ A Camp Yowochas trained staff member will lead the session
- ◆ Available December - April depending on the depth of the ice

Safety Considerations

The thickness of the ice must be at least eight inches thick for a session to take place. Participants will have the option to use to curl in the evenings with the use of our ice rink lighting. Camp Yowochas staff members will go over all rules and expectations at the start of each session. A first aid kit is available at the waterfront area and equipment is inspected monthly by the Assistant Director.
