

Camp Yowochas

Activity Guide

Voyager Canoeing

Take yourself back to the early days of trading when the Voyageurs travelled the rivers of Canada. Our Voyager Canoeing program will have you singing camp fire songs while learning basic canoe strokes, how to paddle as a team and gaining insights into the surrounding natural world.

Program Specifics

- ◆ Groups up to 12
- ◆ Well suited for all ages
- ◆ Led by trained Camp Yowochas Staff
- ◆ Available late April to end October
- ◆ Participants will learn basic canoe strokes during a journey along the shoreline of Lake Wabamun

Safety Considerations

Strong winds can make sessions more challenging. While all participants will wear a PFD they should be water confident. Activity briefing will include how to correctly load and unload the canoe as well as the buddy system during a potential capsize. All staff are qualified Paddle Instructors and/or Lifeguards and certified in Standard First Aid and CPR.
