Activity Guide

Wide Game

Wide games are an all camp favourite here at Camp Yowochas. These games are usually played in a forested area and involve a large number of players, often the total group. Some of the favourites include Capture the Flag, Mission Impossible, Survival and Positions. These games work best in daylight.

Program Specifics

- ◆ Minimum 15 participants
- ◆ Well suited for all– ages
- ◆ Led by a trained Camp Yowochas staff member

Safety Considerations

Closed toe shoes are mandatory for this activity. Participants will be instructed of all rules before the activity begins and clear boundaries will be established. In all wide games there is a central home base for participants to go to if they need assistance in any way.
